

LASER CLUB FACIALS

WE OFFER A WIDE RANGE OF BESPOKE FACIALS TO HELP TACKLE YOUR SKIN CONCERNS.

Our bespoke facial packages have been designed to tackle acne, anti-ageing, brightening and deep cleaning the skin. These can be used for all ages from teenagers who are suffering with acne or to more mature clients who want to help brighten their skin and combat any ageing.

CONSULTATIONS

Skin Consultations (15-30 minutes) £15

This is an in depth consultation with our skin specialist. Within this consultation she can create a bespoke treatment plan for you alongside a product plan with the ultimate goal of clearing your skin issue or simply ensuring brighter, more youthful skin. The cost of the consultation is refundable towards products and treatments at the clinic.

"GLOW ON THE GO" PRODUCTS

Our "Glow On the Go" product range has been specifically chosen to compliment our bespoke facial packages. Your skin specialist will advise you on which products will give you the best results based on your individual requirements.

PROCEDURE DESCRIPTIONS

Dermaplaning: Exfoliates the any dead skin and removed vellus hair.

Dermaroller: Stimulates collagen for smoother and brighter skin.

LED light therapy: The LED light therapy can be added onto any facial to help promote anti-ageing effects and reduce any inflammation in the skin by boosting your collagen. It can also help clear acne, pigmentation and reduce fine lines and wrinkles. While this is on we will get you relaxed with a hands and arms massage.

Mesoesthetic AGE element cleansing balm: Removes makeup and impurities effectively to prepare the skin in order to receive the active ingredients.

Mesoesthetic AGE element hydra balance cream: This combined with the customised booster will target concerns.

Mesoesthetic AGE element resurfacing solution: This will enhance cell renewal, reduce imperfections and optimise penetration of active ingredients applied subsequently.

Mesoesthetic chemical peels: Bespoke chemical peel will penetrate the deep layers of the skin without the need for any peeling which will leave your skin rejuvenated.

Mesoesthetic crystal fibre mask: This is an incredible hydrating mask that will cool the skin and boost your collagen.

Mesoesthetic fast skin repair: Regenerative cream for sensitive skin to promote the recovery of the epidermis and reinforce the barrier function to restore elasticity and prevent flaking, redness and irritation.

Mesoesthetic HA desimatrix: A serum containing a high concentration of hyaluronic acid to moisturise the skin, hydrate the skin, to repulp and fill the skin and help target against anti-ageing.

Mesoesthetic hydramilk cleanser: Remove effectively makeup and impurities to prepare the skin in order to receive the active ingredients.

Mesoesthetic hydratonic: Balancing, anti-pollution facial toner.

Mesoesthetic recovery balm: This will stimulate tissue re-epithelisation.

M-Pen device: The M-Pen uses a specialist device that involves tiny needles puncturing the skin which creates a trauma to the skin which tells our body to produce new skin cells and promotes collagen which creates tighter, brighter and glowing skin.

Ultrasonic scrubbing and skin tool: A 3 in 1 device that cleanses, unclogs pores and lets our other products penetrate better into the skin by gently exfoliating the skin.
