ResurFX™

Non-ablative fractional laser resurfacing

What it treats:

- Fine lines and wrinkles
- Acne and surgical scars
- Stretch marks
- Uneven skin texture
- Enlarged pores
- Skin laxity

Treatment cost:

Half face	£200
- Course of 3	£500
Full face	£300
- Course of 3	£750
Small area	£150
- Course of 3	£400

How it works: ResurFX™ uses a 1,565nm non-ablative fractional laser to stimulate deep collagen regeneration without harming the skin's surface. Only one pass is needed per session, making it gentler than traditional fractional lasers, yet highly effective.

IPL (Intense Pulsed Light)

Skin tone correction

What it treats:

- Sunspots and age spots
- Redness and rosacea
- Broken capillaries
- Freckle irregularities
- Pigmentation irregularities
- Overall dull complexion

BEFORE

AFTER 1 TREATMENT

Treatment cost:

Face acne	£150
- Course of 3	£400
Face freckles	£150
- Course of 3	£400
Face rosacea	£150
- Course of 3	£400
Single lesion	£75
- Course of 3	£200

How it works: IPL delivers controlled pulses of broad-spectrum light that target pigment and vascular imperfections in the skin. It clears sun damage while stimulating collagen production for brighter, more even-toned skin.

Photofabulous™

The ultimate combination treatment

What it treats:

- Fine lines and wrinkles
- Sun damage
- Pigmentation
- Texture irregularities
- Uneven skin tone
- Skin redness

BEFORE

AFTER 2 TREATMENTS

Treatment cost:

Face	£350
- Course of 3	£900
Face and neck	£500

How it works: Photofabulous™ combines IPL and ResurFX™ in a single session for comprehensive skin rejuvenation. IPL targets pigmentation and redness, while ResurFX™ stimulates collagen for firmer, smoother skin, making it a powerful, all-in-one anti-ageing solution.
